All Heart (Paper-Pieced)

The center of this block is paper pieced. The pattern is on the second page. Detailed instructions for paper piecing, as well as binding, can be found in the Quilter's Thread mobile app, in the Resources Department, in "The Basics" Library.
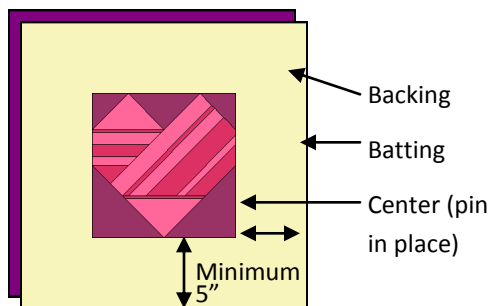

COMPLETE THE CENTER BLOCK:

Reproduce the pattern on page 2 and paper piece the center of the block using the color guide below:

LAYER THE QUILT CENTER

Layer the quilt by positioning the backing right side down, and centering the batting on it. Then position the completed paper pieced heart center in the center of the batting, pin in place. Make sure at least 5" of the batting shows on each side.

ADD THE BORDERS

- Cut (2) 3/4" strips of Pink 2.
- Cut (2) 2 1/2" strips of purple fabric. (You may need three, but don't cut the third unless it's necessary.)

Position the purple strip, right sides together on top of the pieced center. Stitch in place through all layers using a 1/4" seam. Trim the excess purple strip. Press the purple open.

Stitch 1/4" from edge of purple

Trim the extra purple.

Add the border on the second side, then the top and bottom in the same manner, then the top and bottom pink border, and, finally, add the outside side and top and bottom purple border.

Add an additional quilting you desire and bind.
